

New Jersey Parents of Children with Special Needs present

Presentation and Workshop by PCG Public Partnerships Wednesday March 27th

Presentation and Workshop by PCG Public Partnerships Wednesday March 27th

New Jersey Parents of Children with Special Needs is hosting a presentation and workshop by PCG Public Partnerships the NJ fiscal intermediary for DDD support services. The event will held in Morris County Library on March 27th at 6:30pm. PCG will discuss a variety of issues of importance to our families and answer general questions that you provide to us in advance.

In addition, the Public Partnerships team will provide one-on-one private sessions the same evening (March 27) to address any personal issues and problems individual receiving services are having. The one-on-one private meetings will require a separate pre-registration that will be emailed to you after you register. Sessions will be scheduled at 15-minute intervals between 6 p.m. – 8:30 p.m. and held in private conference rooms at the Morris County Library. In order to participate, you will need to provide some personal information to allow PCG to research the issue and be prepared for your meeting.

Please note; the one-on-one private sessions registration (ticket) does not guarantee you a meeting time. In order to participate, you will need to provide some personal information to allow PCG to research the issue and be prepared for your meeting.

Please follow link below and click on green **Register** button on the first page to see important information about the One-on-One Private Meetings as well as the General Presentation registration.
